Surface Interval Training Becomes Fantasea Line Dealer

WINTER PARK, FL – Surface Interval Training, LLC. is proud to announce the its new dealer relationship with Fantasea Line, a major producer of underwater digital camera housings and affiliated products.

“It gives us great pride to be affiliated with a company like Fantasea Line, who is clearly a leader in their field. Being able to offer these products to our customers, is a great new opportunity!” said Surface Interval Training Managing Member Kevin Green.

Fantasea Line offers a full line of underwater camera housings geared toward Nikon products, including their CoolPix line and digital SLR cameras. In addition, they offer strobes, underwater lights, and other products associated with first-class underwater photography. For the full catalog of Fantasea Line products, see their website at: <http://www.fantasea.com> .

Surface Interval Training features training programs from the Professional Association of Diving Instructors (PADI), Emergency First Response, Medic First Aid International, and the American Red Cross. Courses available include Open Water Diver all the way through Divemaster, as well as First Aid, CPR, and Automated External Defibrillator (AED). Classes will be available on a schedule or can be custom scheduled as needed.

In addition to quality training, Surface Interval offers international and domestic dive travel services in the coming months.

Information on classes, training agencies, and travel are available on the new website at WWW.SURFACEINTERVALTRAINING.COM or by e-mailing info@surfaceintervaltraining.com .

Surface Interval Training, LLC. is a member of the Winter Park Chamber of Commerce.
