**Surface Interval Selected to Provide Training for Bimini Undersea**

BIMINI, BAHAMAS – Surface Interval Training is proud to announce that it was selected to provide diving leadership training to the new manager of Bimini Undersea.

For many years, Bill and Nowdla Keefe's Bimini Undersea Adventures has been a top diving destination in the Bahamas. Under the ownership and direction of the Keefe's, Bimini Undersea has lead the industry in sustainable tourism and quality. Beginning in Spring of 2008, as ownership of Bimini Undersea transitions from the Keefe's to the Bimini Big Game Resort and Yacht Club, the need for PADI leadership training for the new management arose. Surface Interval Training was selected to provide PADI Divemaster, Emergency First Response, PADI Assistant Instructor, and Divers Alert Network Training.

As part of a two phase training program, Surface Interval Principal Spencer Jackson spent nearly a week in Bimini, providing the high level of training that Surface Interval is known for. During phase one of this training program, Jackson provided PADI Divemaster and Emergency First Response training to new BUA Manager George Petroff. Jackson also provided general industry consulting services for the duration of his trip.

Beginning in April 2008, Surface Interval Principals Spencer Jackson and Kevin Green will return to Bimini to provide PADI Assistant Instructor and Divers Alert Network training for Emergency Oxygen and First Aid for Hazardous Marine Life Injuries.

Surface Interval Training features training programs from the Professional Association of Diving Instructors (PADI), Emergency First Response, Medic First Aid International, and the American Red Cross. Courses available include Open Water Diver all the way through Assistant Instructor, as well as First Aid, CPR, Automated External Defibrillator (AED), Care for Children, and Bloodborn Pathogens. Classes are available on a schedule or can be custom scheduled as needed. In addition to quality training, Surface Interval will offer international and domestic dive travel services in the coming months.

Bimini Undersea Adventures has been a provider of quality scuba and wild dolphin experiences for nearly twenty five years. Headquartered at the Bimini Big Game Resort and Yacht Club, Bimini Undersea continues to provide world class diving and instructional services under new management.
