Surface Interval Principal becomes EFR Instructor Trainer

WINTER PARK, FL – Surface Interval Training is proud to announce that Principal Kevin B. Green has completed training as an Emergency First Response Instructor Trainer. Completion of this training makes Kevin Green one of only a handful of instructors in Florida who are trained and authorized to provide Emergency First Response Instructor training.

Surface Interval will be adding Emergency First Response Instructor training to its repertoire of course options in the next few weeks.

Surface Interval Training features training programs from the Professional Association of Diving Instructors (PADI), Emergency First Response, Medic First Aid International, and the American Red Cross. Courses available include Open Water Diver all the way through Assistant Instructor, as well as First Aid, CPR, Automated External Defibrillator (AED), Care for Children, and Bloodborn Pathogens. Classes are available on a schedule or can be custom scheduled as needed. In addition to quality training, Surface Interval will offer international and domestic dive travel services in the coming months.

Emergency First Response is the fastest-growing international CPR, AED and first aid training organization. With more than 31,000 instructors worldwide, Emergency First Response is backed by 36 years of experience in the development and delivery of instructional courses, training materials and educational curricula. Emergency First Response courses have gained widespread international acceptance. Focused on training the lay rescuer, the Emergency First Response approach to training builds confidence in lay rescuers and increases their willingness to respond when faced with a medical emergency by teaching them the skills they need in a non-stressful learning environment.

Information on classes, training agencies, and travel are available at:
