**Kevin Green Speaks at Winter Park Tech Commencement**

WINTER PARK, FL – On May 30<sup>th</sup>, Winter Park Tech proudly graduated more than 200 students, during a commencement ceremony in which Surface Interval's Kevin B. Green was the featured speaker.

Joining Orange County School Board members Anne Geiger and Jim Martin on the stage, Kevin spoke to graduates about their obligations to continue learning and to lead by example as they join the workforce. In an excerpt from his commencement address Green stated:

Look back through your life and remember that person who believed in you; the person without whose love and devotion you may not have reached your goal. And be that person to someone else. Because success is usually a team effort. People look up to you for your achievements today; be that outstretched hand to lift them up to you.

Kevin Green has been a regular volunteer at Winter Park Tech since 1999, during which time he has served in a number of capacities, including Chairman of their School Advisory Committee from 2006 to 2008.

Surface Interval Training features training programs from the Professional Association of Diving Instructors (PADI), Emergency First Response, Medic First Aid International, Divers Alert Network, and the American Red Cross. Courses available include Open Water Diver all the way through Assistant Instructor, as well as First Aid, CPR, Automated External Defibrillator (AED), Care for Children, Emergency Oxygen and Bloodborn Pathogens. Classes are available on a schedule or can be custom scheduled as needed. In addition to quality training, Surface Interval will offer international and domestic dive travel services in the coming months.

Winter Park Tech (WPT) is recognized in Central Florida as the leading technical training center for career and technical education. WPT provides a "High-Tech, High Touch" educational environment, state-of-the-art equipment and an exceptional instructional staff where students develop exceptional technical and soft skills. Winter Park Tech is one of four workforce and vocational training centers operated by Orange County Public Schools, the 11<sup>th</sup> largest school district in the United States. Find out more about Winter Park Tech at: <http://www.wpt.ocps.net/>.

Information on classes, training agencies, and travel are available at:
