Surface Interval Training Launches New Website

WINTER PARK, FL – Surface Interval Training, LLC. is proud to announce the launch of their new website WWW.SURFACEINTERVALTRAINING.COM , which will serve as the internet presence for the company.

“We really want to give visitors a sense of our vision of SCUBA diving as a lifestyle choice rather than a one time adventure. We believe that the new website is another tool to reach individuals who might not know where to look for quality dive training,” said Surface Interval Training Managing Member Kevin Green.

Surface Interval Training features training programs from the Professional Association of Diving Instructors (PADI), Emergency First Response, Medic First Aid International, and the American Red Cross. Courses available include Open Water Diver all the way through Divemaster, as well as First Aid, CPR, and Automated External Defibrillator (AED). Classes will be available on a schedule or can be custom scheduled as needed.

In addition to quality training, Surface Interval will be offering international and domestic dive travel services in the coming months.

Information on classes, training agencies, and travel are available on the new website at WWW.SURFACEINTERVALTRAINING.COM or by e-mailing info@surfaceintervaltraining.com .

Surface Interval Training, LLC. is a member of the Winter Park Chamber of Commerce.
